

EMILY LEY

Emily Ley is a boutique lifestyle brand that embodies the inviting personal style and traditional sensibilities of its Founder and Creative Director, Emily Ley. The brand inspires women of all ages to build joy and simplicity into their lives through intentional choices, purposeful plans and playful experiences. The collection, built on the pillars of simple design, classic style, fresh colors and playful details, features organizational tools, office necessities, stationery and family-centric gifts.

Emily Ley was established in 2008 in sunny South Florida. Inspired by her growing family, her deep Southern roots and her own Mama's knack for keeping a perfectly imperfect home, Emily began creating the tools and products she wanted (and needed) in her own life. From there, women around the world have joined together to form a passionate community of gals who deeply desire more of what matters most in their lives and believe wholeheartedly that perfect is overrated. For more information, please visit www.EmilyLey.com.
