Why Justin & Mary?

- In all areas of their work, Justin and Mary focus on **the art of connection**. They value and display this principle in everything they do, from connecting with their clients and showcasing it through their photography to connecting with other photographers and business owners and sharing their own story of falling in love, getting married and now, owning a business together.
- From their impeccable editorial and wedding photography and business expertise to lifestyle, marriage and women's interest topics, Justin and Mary are passionate about sharing their story and experiences with audiences across the world through writing and speaking.
- Mary has an incredible, inspiring story. She grew up in a poverty-stricken area of West Virginia and her childhood home had a dirt floor. At 18, she left home to attend college and eventually graduating from Yale Law School. Her upbringing fuels her ambition in all areas of life, as well as reminds her to stay humble and work hard.
- They are award-winning photographers with top industry accolades, including the "Legends of Light" award and being named one of the Top 20 Influential Photographers and Top 100 Photographer by SLR Lounge.
- They are invited yearly to speak at top conferences and online summits, including the honor of giving the keynote address at WPPI in 2016. Additional recent speaking engagements include Rising Tide Summit for Creatives, which has an audience of 70,000. They've taught workshops all over the world including Sydney, Germany, the Netherlands and London, as well as three cross-country speaking tours.
- They share their stunning photos and exceptional, seasoned advice with their large online audience, including more than 115k followers across all social media platforms, through their blog and to 40k newsletter subscribers.

JUSTIN & MARY

Editorial Photography, Wedding Photography and Online Education

Justin and Mary are respected around the world for their stunning photography and their leadership in photography education. Whether using the classic black and white style or capturing the extreme joy of one's wedding day, their remarkable shots, disarming demeanor and commitment to their craft is unparalleled.

Essential to everything they do is their commitment to helping other photographers learn and grow. Through online education courses, in-person workshops, mentoring sessions and so much more, Justin and Mary share their experience with photographers around the world.

Women's Interest and Lifestyle Topics

As a female business owner and accomplished photographer with extraordinary style, class and grace, Mary serves as an icon for women everywhere. She is passionate about lifting women up and sharing her hard-won lessons with others.

Business and Entrepreneurship

Justin and Mary grew their passion for photography into a world-renowned business and they truly enjoy sharing their advice and lessons with other business owners. They believe that their business is their legacy and that all leaders can build a legacy, too.

From advice to their younger selves and learning from business failures to the importance of goal setting for businesses and owning a business with your spouse, Justin and Mary can share entrepreneurship guidance and counsel garnered from 10 years of building a business from the ground up.

“Be incredibly committed and work really hard at always getting better in your craft. Never think that it's “good enough” or that you've arrived. You haven't. You won't. If you do, hang up your work and walk away for you have lost the love of it. Never, ever stop learning. Show up every day and do the work.” – **Mary Marantz**
